Dear Christopher

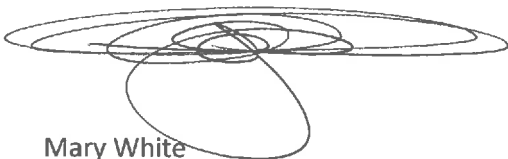

The Adelaide Convention Bureau is delighted to support the Botanical Gardens Restaurant with their submission for the 2015 South Australian Industry Council Toursim Award in the Restaurant category.

Since Blanco Food & Events and the Botanical Gardens Restaurant joined the Bureau in 2003, the Bureau have appreciated the proactive and cooperative approach to be involved in initiatives such as the our signature event Destination South Australia client showcase, submitting proposals, hosting client familiarisations and being a partner in securing business to the state.

As you are aware, it is vital that there are quality products and services in South Australia in order to compete with other national and international destinations bidding for business events. With the assistance of members such as Blanco Food & Events, the Bureau attracts each year on average 60,000 international and national delegates, which generates 180,000 bed nights and delivers approximately \$120 million into the state's economy. Having a product option like the Botanical Gardens Restaurant that provides a high-end food and wine experience, assists us in promoting and improving the states profile and reputation as a culinary destination.

The Bureau values your membership, contribution and support towards the tourism and business events sector. Team Adelaide wish you every success with your submission.

Yours sincerely
